

# PROJECT OVERVIEW

The Wisconsin Department of Transportation (WisDOT) has started a series of road improvement projects in Washington County. This work includes roadway improvements, scheduled bridge maintenance over I-41, digital message sign installation and box culvert work. Listed below are the different projects taking place in 2023:

- 1 US 45 southbound at I-41:** Improvements are scheduled on the US 45 bridge over I-41. US 45 southbound will be reduced to one lane. The WIS 145 entrance ramp to US 45 southbound is scheduled to close during these operations. *(Mid-spring through late fall)*
- 2 I-41/US 45 northbound split:** Box culvert work south of the I-41 and US 45 northbound split. Shoulder closures can be expected throughout this work. *(Mid-spring through mid-summer)*
- 3 WIS 175 (Appleton Avenue):** Two box culverts between Pioneer Road and WIS 167 (Holy Hill Road) are currently being reconstructed within the project limits. WIS 175 (Appleton Avenue) will be closed to through traffic, but local access and access to businesses will be maintained. *(Early spring through late summer)*
- 4 WIS 167 (Holy Hill Road):** A retaining wall west of WIS 175 (Appleton Avenue) is scheduled for reconstruction and will require shoulder closures during this work. *(Early spring through mid-summer)*
- 5 Freistadt Road bridge over I-41:** Closed for demolition and rehabilitation. Overnight I-41 freeway closures will be needed for some operations. *(Early spring through early summer)*

Please note that all work is weather dependent and subject to change.

**Keep current on project updates!**

Find the latest information on our project website at [projects.511wi.gov/41rehabilitation](https://projects.511wi.gov/41rehabilitation), or scan the QR code at right with your smartphone →

- 6 Mequon Road bridge over I-41:** Scheduled to close for demolition and rehabilitation. Overnight I-41 freeway closures will be needed for some operations. Mequon Road will remain open during the Freistadt Road closure. *(Late spring through mid-fall)*
- 7 Maple Road bridge over I-41:** Scheduled to close for bridge maintenance and roadway improvements. Overnight I-41 freeway closures will be needed for some operations. *(Mid-spring through mid-summer)*
- 8 County Q (County Line Road) over I-41:** Scheduled to close for bridge maintenance and roadway improvements. Road closures and left-turn restrictions at I-41 ramps are scheduled as part of this work. *(Mid-spring through late summer)*
- 9 I-41 northbound:** A digital message sign is scheduled to be installed over I-41 between County Line and Lannon roads. Scheduled I-41 daytime lane closures and overnight freeway closures are required to install the sign. *(Early through late summer)*
- 10 Lannon Road bridge over I-41:** Overnight I-41 freeway closures for bridge painting. *(Early through late summer)*

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation during these projects!

The project team will share updates as work progresses, notifying affected residents and businesses. To get these updates delivered right to your email inbox, please contact a team member listed below:
